Prijzen van tussenliggende maten worden naar boven afgerond.

Let op! Bij het bepalen van de productprijs telt u de prijs van **tabel A** en de eventuele meerprijzen van **tabel B** en **C** bij elkaar op. Tabel A is gebaseerd op een standaard 16 mm jaloezie met koord/tuimelstang bediening.

Tabel B

| Meerprijs optie:                                                           | Prijs: | Meerprijs optie:             | Prijs: |
|----------------------------------------------------------------------------|--------|------------------------------|--------|
| Kabel zijgeleiding                                                         | 41,00  | Duoflex                      | 56,50  |
| Top Down / Bottom Up (incl. handgreep)                                     | 64,00  | Multi Colour (tot 5 kleuren) | +30%   |
| TruFit™ (per product)                                                      |        |                              |        |
| TDBU en Handgreep inbegrepen                                               | 200,00 | Onderlatfixering             | 10,60  |
| FrameFix™ (excl. handgreep en TD/BU) (breedte + hoogte in meter) x 77,00 € |        |                              |        |

Tabel C

| Meerprijs bediening:        | Prijs: | Meerprijs bediening:                         | Prijs: |
